FOREWORD

Harbors are always intriguing places. As you sail into them, you are filled with anticipation as to what you will find when your ship reaches her pier. As you sail out of them, you wonder what your journey has in store for you, as you recall previous experiences you have had.

As you open your "Gateway" for 1954, you will find all the thrills of the home port, revealed to you in a rich and interesting panorama of the outstanding events of the school year. Expectation and anticipation have really come true. You will have access to the fun you had during your high school year. In the future, you will appreciate "Gateways" more and more. Not only does it offer pleasure now, but, in the future it will offer a "Gateway" to the memories of your high school life at Frontier Central.

MR. HOELDTKE

OUR NEW SUPERINTENDENT

Mr. Ernest Hoeldtke, appointed superintendent of schools of the Second Supervisory District of Erie County in April, 1953, came to us with a background well suited for the position.

Born in Bennington, New York, he attended Attica High School and Wheaton College and then began his teaching career in a one-room school near his home. The following year he taught at Wyoming, New York. His first principalship was at Painted Post. Others were at Holley and Olean. In 1944, he joined the Naval Reserve spending two years in service and returning to Olean in 1946.

During this period he completed considerable in-service training, taking work at the Universities of Rochester, Buffalo, and Columbia and in 1938, completing his Master's at New York University.

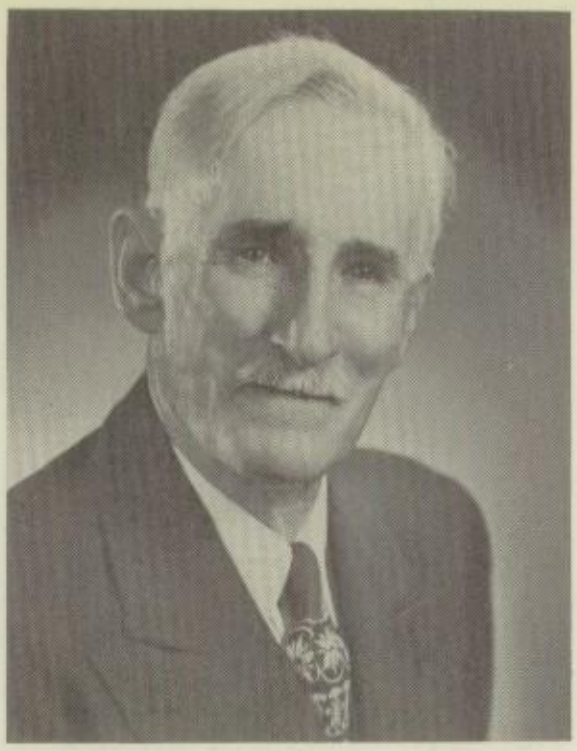
Among his many contacts with educational leaders are those through the organizations to which he belongs. Some are the Phi Delta Kappa, American Association of School Administrators, New York State Secondary School Principals Association and the New York State District Superintendents Association.

Because of his intensive training, his varied experiences, and his dynamic personality, he is able to give us that kind of educational leadership of which we can be justly proud.

ADMINISTRATION

A. CLOTHIER

BOARD OF EDUCATION



JOHN W. KLEIS
President, School Board

With the creation of the Frontier Central School District in 1951, the Board of Education was organized. It has a membership of nine, three being elected each year for three year terms. The Board elects from its membership the president and the vice-president and appoints its other officers; the clerk, the treasurer and the attorney.

As the legal representative of the school district, it is responsible for it in all of its phases. Through its policies and by-laws, the school administration establishes and carries out the program.

Thus, in keeping with the theme "Harbor", we might think of our Board of Education as the "Port Authority" responsible for the efficient operation of the harbor, thus better serving our youth for their many and varied voyages through life.

VERNON W. HEIMAN
Co-Principal of Administration

Vernon W. Heiman, the Chief Administrative officer of our Port Authority, is well qualified to assume the duties peculiar to his office.

His education includes undergraduate work at Alfred University, where he received his B. A. degree in 1929, as well as extensive graduate work at both Columbia University and the University of Buffalo.

This preparation, coupled with a wide variety of experiences along with a natural zeal for organization and precision, has made Mr. Heiman a valuable asset to our unfolding organization.

CO-PRINCIPALS OF ADMINISTRATION AND INSTRUCTION

CHARLES G. BUESCH
Co-Principal of Instruction

Mr. Charles G. Buesch, principal of instruction and supervision for Frontier, is working to standardize the educational policies of the schools in our district.

He is a member of Phi Delta Kappa, a national honorary educational Fraternity. Mr. Buesch is a graduate of North Central College in Illinois and completed his graduate work in the University of Buffalo.

Mr. Buesch taught science and coached athletics in Michigan before he came to Hamburg, where he had a similar position. In 1934 he came to Blasdell High as Supervising Principal.

HIGH SCHOOL PRINCIPALS

There are two High School Building Principals in the Frontier system. Miss Ruth Pray is located in Blasdell High and Miss Marion Creedon in Woodlawn High. The High School Building Principals meet with the Elementary Building Principals and the Co-Principals periodically to discuss educational problems and to promote unity and understanding between the grades and the High Schools.

ELEMENTARY SCHOOL PRINCIPALS

Within the Frontier Central School system, there are eight elementary schools. Seven of these elementary schools are housed in their own buildings while the eighth is housed jointly with a Junior Senior High School. Five of the Elementary Schools: Athol Springs, Big Tree, Blasdell, Wanakah, and Woodlawn have full time building principals, while the other three; Amsdell, Lake View, and Shaleton have teaching principals.

The Elementary School Principals meet at least once a month with the Co-Principals of Administration and Instruction to determine lines of education effort for the whole of the Frontier Central district.

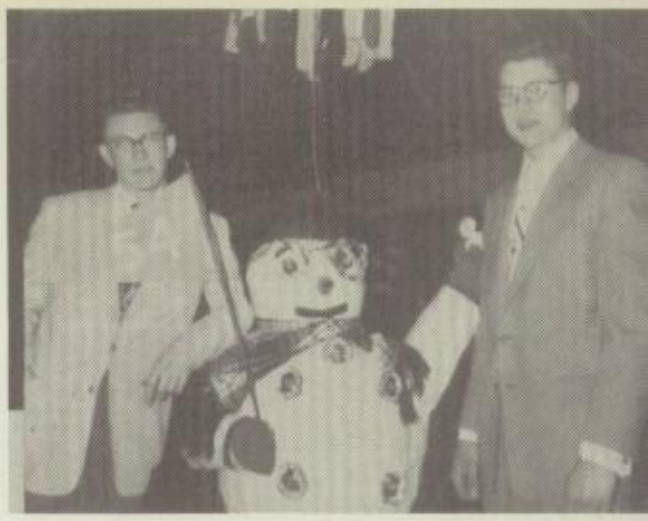
CLASS HISTORY
BLASDELL

All together now — let's go!



Winter Carnival

In September, 1953,
We entered the Senior Room, — 203,
And there we started our brilliant career
By selecting class officers for our final year
At B. H. S. Jones, Ernewein, Stevanoff, Saunders,
— These were our choices. Is it any wonder
Our class has shone so brightly?
Next, we picked our colors, teal-blue and white,
They made our banner a glorious sight
To gaze upon; for our class flower
We chose the white carnation. Then the atom-smashing power
Of our minds moved us to select a motto kingly
In Latin, it reads, "Veni, Vidi, Vici."
With Banner, Motto, Pledge, upon our wall,
We felt at last that we were seniors, one and all!
Then autumn came. The golden days sped fast.
But before "October's bright bue weather" had past,
We had ordered rings, — Josten was the company's name,
And pretty Sue Taleff had risen to fame
As chairman of our first Class dance!
It seemed to us we'd scarcely had a chance
To get the "feel" of being Seniors before the snow came
swirling down
And the Class of '54 discovered a new clown
In jolly Vito Croce, who won loud applause
At our Christmas Party, as old Santa Claus.
In January we danced again,
This time to Jimmy Pyne's band;
'Twas Peter S. who chairmanned the party,
Complete with a winking snowman, clever and "arty."
February! Ah, that's the month we'll remember for many a day,
For the cast was then selected for our annual Senior play!
And many a show may come and go; many a star rise and fall,
But none will match Sue Sattler in the role of Lucille Ball!
We stand here at the crossroads as this yearbook goes to press
Our Senior Year's not over, but there's no need to guess
About events before us as the sands of time run fast!
In May, will come a solemn moment, as Moving-Up Day rolls around,
When we graduate, on the 28th, and then, alas, too soon,
We'll find ourselves a-standing, our diplomas still unfurled,
The "grand old Seniors" of '54 out in the wide, wide world."
Yet each of us will always say, as loyal Seniors in full accord,
To paraphrase our motto, "We came, we saw, we conquered."

CLASS HISTORY
WOODLAWN

Years may come and go, and with them good times all;
But none so well remembered, nor so easy to recall
As those that started long ago when we were new in W. H. S.,
And numbered only twelve in years, or maybe even less.
Our constitution called for cerise and silver and an orchid as our sign,
And we took an Edgar Guest stanza and dwealt on every line—
"Maybe it couldn't be done," but "we wouldn't say so till we'd tried."
And so we vowed to keep this motto and on it success relied.
Selling candy, having movies were our means of chief support
By the time our ninth grade dance came, we weren't a penny short.
Spring Fantasy we called it, and in hues of orchid, pink, and white
We proved we had the power to create a royal night.
With this success fresh in our minds, we set out to show the rest
That proms may come and proms may go, but ours would be the best —
With weeks of work and heaps of paper, glitter, and some foil,
We produced a magic land that well repaid our toil.
Shades of blue with white and gold and glitter formed our sky,
And underneath the frothy gowns and fragant flowers drifted by.
Barb and Jim brought in the crowns and gave them to Pat and Ray
Together with the bracelets as tokens of this cherished day.
Senior days brought one last dance—Sadie Hawkins was the name;
With polka dots, and big brown jugs we carried on her fame.
Every year about in June, we'd pack our things together,
And ride the bus, singing loud, and prayin' for sunny weather.
How well we remember the Ridge and all it meant to us —
How Stan Figiel fell off the swing, and our big eaters —
Jim and Joel Bus;
And how Peggy, Ronnie, and the rest in all their dainty charm
Swam in the drinking water reservoir and gave us such alarm!
Who has the matches, pickles, rolls, and hot dogs too?
Quote Jim Frisa — "Not I, I gave them all to you!"
In spite of troubles, fuss and so many things to do,
We loved the day, the friends, the charred hot dogs —
wouldn't you?
"The Adorable Imp" came to life and all the village smiled —
"As Diane donned a kiddie dress and was a widdle, widdle child."
And Marlin quite forgot himself and much to our surprise
"Move over" shouted to Janet and pushed her when she didn't rise!
"Dawling" Marcia, Gerry, Eddie, Stanley, and Jewell Knight
Offset biddy Ray Goodrich — Irish brogue, red wig, and rolling pin might.
The plans, the bother, the endless lines were worth it all somehow
As we faced the cheering audience and made our final bow.
Leaders are the core of any group and ours was no exception
We elected Jim Green four times for leadership and perception;
Each member of our class has been a friend to love and honor and trust —
They say these days can never stay, but surely now they must;
For none of us could say "Goodbye" and hastily close the door—
On all the wonderful, wonderful things that are "the Class of '54."

STUDENT COUNCIL

Student Council is a student activity based on representation, in the finest American tradition. Delegates from the various classes meet regularly to direct their efforts toward accomplishing the individual and collective aims of the students. Each year these delegates attend area conferences where ideas are pooled and experiments and experiences are discussed. Through these conferences, and through meetings supervised by their advisors, the students practice parliamentary procedure. They also become aware of the necessity for patience and tolerance in dealing with academic and social problems. Student Council points up the fact that students and faculty have a common goal: an ever-improving school and community.

Since last year's Gateway won the blue ribbon in its class, this year's staff has had to work diligently to maintain the same high standards. This year the Gateway staff has made a special effort to improve some areas that were not rated as highly as the others. Our present centralization system presents problems of layout that other schools would not have. We are treating this sort of thing as a challenge and cheerfully trying to meet it.

The staff consists of forty-eight students, and eight faculty advisors. Through their combined work, publication of this book is possible.

The yearbook staff thanks the art and the typing departments, the faculty, and the students who have given or offered help, making this edition such a fine one.

The WOODLAWNIAN

WOODLAWNIAN

Ingredients:

1 part hard work
2 parts laughter
1 part nervous fatigue
1 part spotted clothes

Results: Fun

Perhaps there is no busier group in the school and there is certainly no more eager and willing one. Four times a year they have had the satisfaction of seeing something they themselves planned ad produced come to life.

This year they added the thrill of color printing to their list of memories. It seems that each year and each group contributes just a little more to the making of a really commendable school paper.

The BULLETINETTE

In October of '53 Blasdell's Bulletinette Staff, with Andrew Kusczak as Editor, Miss Geraldine Herrick as the typing advisor, and Miss Elma Titus as advisor, started the first issue of the year.

This issue and the others which followed have increased in size and circulation; its silk screened covers and clear type have added beauty and quality to the magazine.

In October Miss Geraldine Herrick, David Nowakowski and Emilie Esch represented the Bulletinette at the Empire State School Press Conference in Syracuse.

The Blasdell Bulletinette won All New York Rating for News Magazines in the Empire State School Press Association Competition.

BLASDELL HIGH SCHOOL MUSIC

MIXED CHORUS

Blasdell High School's Mixed Chorus is open to all students from Freshmen through Seniors. The chorus rehearses twice weekly and participates in such activities as the Variety Show, Christmas programs, operettas, the All-State Chorus and the Erie County Chorus. From this group, thirty have been chosen to participate in the Advanced Mixed Chorus, which practices once each week to gain better singing techniques.

GLEE CLUB

Blasdell's Girls' Glee Club, composed of forty girls, chosen from Freshmen through Senior, meets at noon twice each week to practice and improve their tone quality, enunciation, vocal techniques, and expression in music. The members of the Glee Club also participate in many programs and activities such as the Variety Show, operettas, and each spring, the all important competition.

MIXED

WOODLAWN HIGH SCHOOL MUSIC

CHORUS

"A singing heart is a happy heart" every Tuesday and Thursday morning. Learning to sing a beautiful melody in harmony can be a thrilling experience. This group sang a program of Christmas music for the P.T.A. and contributed in no small way to a successful Christmas assembly program. In the fall, added training in choral singing was provided some members who were accepted in the All-State Sectional Chorus at Eden Central School. Spring brought an opportunity for other students to participate in the All-High Chorus which was presented at the Orchard Park Central School. Commencement brought to a close a successful and enjoyable year.

ASSEMBLY BAND

This small group of instrumentalists was selected from the High School Band at an organization meeting in the fall. Its purpose was to provide entrance and exit music for assembly programs. Without benefit of special rehearsal time, the Assembly Band has performed well and has shown a fine spirit of cooperation. Its members were always ready and willing to perform whenever the occasion demanded.

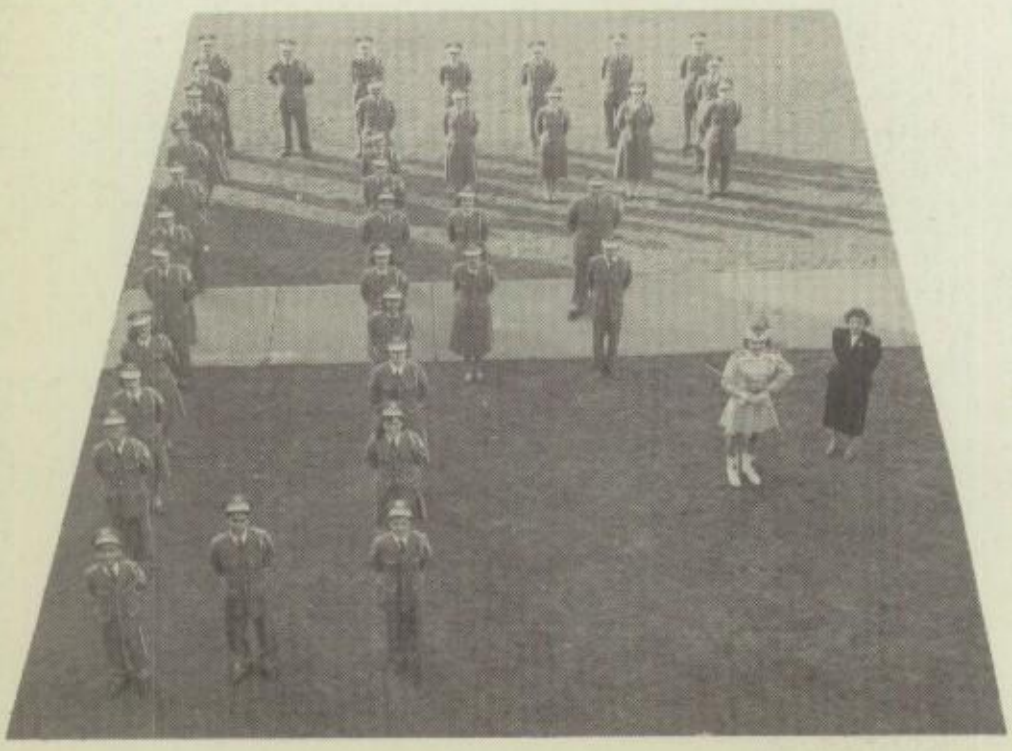
BLASDELL BAND

BLASDELL "F"



Membership in the Blasdell High School Band is open to all students from grades nine through twelve who have the ability and experience to perform at least Grade III music. A student is encouraged to take private music lessons and practice is required for all.

The band each spring competes for a rating along with other schools in Western New York. Students who are members of the band also have the opportunity to play as soloists, and in trios or quartets at the competition-festivals. Competition is usually held a out-of-town schools and the bur riders to and from the schools are quite a lot of fun. Students are also chosen from the band to play in the all-State Band and the Erie County Band. There is a dance after each of these activities for the students who participate. We have special rehearsals with the Woodlawn High School Band to play at the Erie County Fair. The Band also plays for assemblies and P.T.A. meetings.

WOODLAWN BAND

WOODLAWN BAND "C"

The Woodlawn Band got off to an early start by participating in the Frontier Central marching unit at the Hamburg Fair. This group of approximately forty-five members met on Wednesday and Friday mornings. A more difficult program of music was attempted and many members performed remarkably well. The band served on various occasions during the school year. Highlights included playing for the P.T.A. and performing for the students at the Christmas Assembly. In the spring, selected members from this group participated in the State Sectional Band Program at Eden Central School, the All-High Band at Orchard Park, and the Junior-High Band and Orchestra Concert at Kleinhans Music Hall. The younger members of the group are looking forward to a larger organization under the banner of Frontier Central.

WOODLAWN LIBRARY CLUB

The Woodlawn Library Club's thirty members contribute invaluable service, voluntarily, to the high school. When they devote time regularly, during study periods, they receive experience in various library routines. These include book-preparation, desk-supervision, card-filing, and book-care.

Seated, left to right: E. Esch, E. Fumerelle, S. Bailey, Mrs. Eggleston, D. Bialota. **Standing:** E. Moss, B. DeBotte, S. Lennon, W. Ferro, J. Zuppinger, A. Mitchell. **Absent:** J. Fumerelle, J. Schlottman, P. Perison.

BLASDELL LIBRARY CLUB

The Library Club was newly formed this year. Through the work of these students library service has greatly improved. New books were processed more quickly and old books have been mended to serve for many more months.

BLASDELL SAFETY PATROL

Members of the Blasdell Safety Patrol are selected for their aptitude, dependability, interest in the task, popularity with their fellow students, and scholastic standing. They stand on the curbs at intersections near the school before and after classes to aid younger students in crossing the streets.

Coaches: Varsity Football: Mr. Mead, Mr. Grottanelli. **J. V. Football:** Mr. Klimschot, Mr. Sakowski.

The undefeated '53 Varsity Football season, highlighted by great victories, was due to the efforts of the team members under the leadership of Coach Mead and Coach Grottanelli. The squad was exceptionally loyal in attending daily practice and in working hard to produce a better team. The team's spirit and sportsmanship were outstanding.

The following Seniors were outstanding in their contributions to our season: G. Seidleck, R. Wasmund, P. Stevanoff, R. Ernewein, J. Pyne, E. Crusan, A. Kusczak, T. Stopha, G. Crance, V. Croce, J. Thiel, G. Clever, C. Cabibi.

The Junior Varsity Football team of 1953, coached by Mr. Klimschot and Mr. Sakowski played six games. It is hoped that through the training and experience gained that many of these boys will move into their positions on the Varsity team next fall.

COACHES—Left to Right: Mr. Pfohl, Mr. Darvill.

The Varsity Soccer team, under Mr. David Darvill, finished second in the League for 1953. The main strength of the team was centered around Seniors Captain Stanley Fiegel and Ray Goodrich. A winning combination was developed with the returning players forming the basis.

The highlights of the season were found in the traditional clashes with Amherst in a home-and-home series. The game at Amherst was a closely contested battle, with Amherst handing the Blue and White its only defeat, 6 to 5. This loss was later avenged at Woodlawn, 6 to 2, with Capt. Stan Fiegel getting 4 points.

The strong Holland team held the Frontiersmen to a scoreless tie in the first game, keeping the team from a first-place tie with Amherst. The final season record was ten wins, one tie, and one loss, good for second place in the League.

The Junior Varsity team, starting with a few experienced players, such as Doug Bushnell and Dave Crabtree, enjoyed a successful year. Defeats were suffered at the hands of Amherst and Holland, but were both avenged. The over-all record of six wins, two ties, and two losses was good enough for first place in the league for Junior Varsity teams.

BASKETBALL

The Varsity Basketball team representing Frontier Central has just completed another successful season with a 12 won 4 lost record in 16 games. This fine record made them the top Class "A" team in division I of the Erie County Interscholastic Conference and enabled them to enter the play-offs.

The highlight of the season was a convincing win over a strong Hamburg team after having suffered an early season setback at the hands of Hamburg. The team started slowly compiling a 3 won, 3 lost record after the first six games, but won nine of their next ten games to gain a playoff berth.

The season was marked by the sparkling play of seniors, Gene Seidleck, Bob Wasmund, Ray Ernewein, Stan Figiel, Ray Goodrich, and Gene Crusan with Junior Don Fredriksen and sophomore Nick Kapuszcak improving with every game. Other squad members include Pete Stevanoff, Norton Schwartzott, Tony DelBello, Dick Graf, Gerry Durward, Bob Percy, and Glenn Mead.

J. V. BASEBALL

Junior Varsity baseball at Frontier is a developmental program, being limited to Sophomore and Freshmen boys. Many of the boys showed fine progress which augers well for future Frontier Varsity teams. Under the capable coaching of Mr. Klimschot the team finished the season with a fine record of seven wins and three defeats.

TRACK

Last year the track team, coached by Mr. Serafino Grottanelli participated in four meets. The team consisted of 30 boys. Even though track is a sport only in its second year at Frontier the team won its share of victories and expects to improve in the years to come.

TENNIS

Mr. Thomas Pfohl was greeted by four returning players, and their experience gained a second - place standing for Frontier in the Erie County League. Bob Melander, Gene Kraus, Bernie Eckert, and George Plarr added balance to the team with their past playing experiences. Graduation left but two returning men for 1954, but hopes are high.

CHEERLEADERS

VARSITY CHEERLEADERS

Frontier Central's Varsity Cheerleaders have successfully reached their goal. Their one objective to lead the cheers has been accomplished through their natural ability to cheer. The crowd learned the new cheers that were introduced very rapidly and reallv rooted for Frontier's teams.

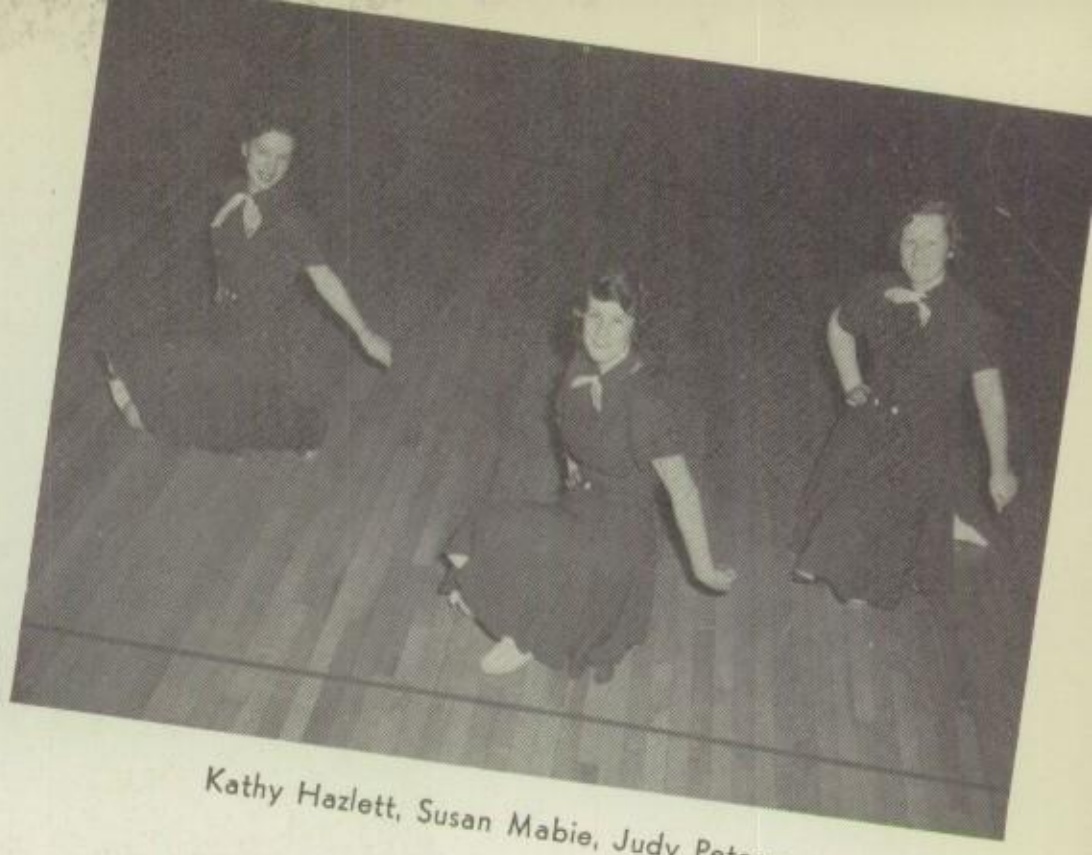
Blue and White sparkled on the basketball courts when once again the Frontier Central Junior Varsity Cheerleaders were out to cheer their team to success. School spirit, also, rose strong and true, under the leadership of their cheerleaders.

Joanne Nowakowski, Victoria Taneff, Nancy Kingsland.



Kathy Hazlett, Susan Mabie, Judy Petersen.

FRESHMEN CHEERLEADERS

The Freshmen cheerleaders have worked very hard this year. The students that have come to Woodlawn from other schools have given them many new cheers. However, they have made up many new cheers of their own.

The cheerleaders hope that their efforts have helped to inspire the players.

Seated, left to right: R. Doll, R. Grajeda, C. White, G. Barker, W. Mabie, E. Weisberger, J. White. **Second Row:** W. Kuta, G. Maue, D. Geddes, J. Pinter, R. Dryer, A. Caputo, J. Schill, R. FRESHMAN BASKETBALL

The Freshman Basketball team although off to a rather inauspicious start have shown a gradual improvement not only in individual play but in the all important team play.

Several players have looked exceptionally well and will prbably be playing with the J. V. next year.

It is hoped that with more experience several more players can be developed to the point where they may eventually replace Varsity players and make a good, strong Frontier Central Basketball team.

GIRLS' SPORTS

The Girls Physical Education classes this year have been very busy developing co-ordination, competition and sportsmanship as well as muscles. Basketball, volleyball, tennis, badminton, and bowling are some of the activities constantly bringing shouts of excitement and joy from the participants.

Extra activities are held after school and some during the noon hour for the girls of the Junior and Senior High School.

Added to our intramural program this year are Playdays — days in which several girls compete in an activity with a group from another High School. These are held not for competition alone but to stimulate friendship between schools.

ON THE HORIZON
January 1954

The ground-breaking ceremonies for the new Frontier Central Junior-Senior High School to be completed in the near future were a source of deep pride and joy to all associated with our school. They were, indeed, a manifestation of the vision of our educational leaders, and the abiding faith of our citizens in the dynamic, democratic public school system.
